Here's what a few participants at the first-ever Quilt Luminarium in Houston last week had to say!

Kathleen Y. "I left feeling exhilarated and refocused and can't wait to "just do it". You have given us so much information and ways of approaching different techniques to achieve outstanding results."

Sylvia S. "Thank you so much for an amazing two days! You presented so much information that will take me a while to digest. I could not sleep last night because of all the quilts I was

designing. Your ability to teach with clarity, taking us from basic to more involved was much appreciated.”
